

Very Protect – Repair Monthly

Further Relevant Information

Very Protect – Repair Monthly insurance for accidental damage and breakdown is arranged and administered by Shop Direct Finance Company Limited and underwritten by Novus Underwriting Limited on behalf of Helvetia Schweizerische Versicherungsgesellschaft in Liechtenstein AG.

WHAT COVER IS PROVIDED?

Accidental damage: Your cover for accidental damage will start on the 'Start Date' shown on your Certificate of Insurance.

Breakdown: Your cover for breakdown will start following the expiry of the manufacturer's warranty period.

In the event of a valid claim, arrangements will be made for the insured item to be repaired. If a repair is not possible, the insured item will be replaced with an item of the same make and model as the one listed on the Certificate of Insurance. If this item is not available, you will be given a choice of make and model with an equivalent specification.

Where a replacement is not possible, an alternative settlement will be offered. The value of the alternative settlement will not exceed the original purchase price of the goods.

NOTE:

- This insurance will end if the item is replaced, an alternative settlement is given or the expiry date is reached.
- This insurance is available to buy online at the time you purchase your domestic electrical item.
- The manufacturer, other retailers and insurance providers may also offer you an extended warranty and your household insurance may be relevant.

Certificate of Insurance and policy documents will be sent by email where possible.

Terms, conditions and exclusions apply to this insurance which limit your cover and we do not wish you to discover after an incident has occurred that you are not insured. If you have any queries, please call the administrator on 0800 092 9051.

CANCELLATIONS

You can cancel your policy at any time if you are not satisfied with it. If you cancel your policy, you will receive a refund as follows:

- where your policy is cancelled within the first 28 days and you have not made a claim under your policy, any premium you have paid will be returned to you in full;

- where your policy is cancelled within the first 28 days and you have made a claim under your policy, there will be no return of premium; or
- where your policy is cancelled after the first 28 days, you will not receive a refund of premium as you will have only paid for the cover you have received.

The 28 day period begins on the 'Start Date' set out in your Certificate of Insurance or the date you received these policy documents, whichever is later.
