We realise that **you** may not receive **your product** for several days after **you** place **your** order which in some cases may mean that **your** 'Start Date' will pre-date **your** receipt of the **product**. Any claims made towards the end of the **period of cover** under **your** policy will take this into consideration.

7. PAYMENT OF PREMIUMS

In order for **your product** to remain insured, **you** must continue to pay the premium each month otherwise the policy will expire. The first premium must be paid when **you** purchase **your** policy. All subsequent premiums must be paid on or before the monthly anniversary of **your** policy's 'Start Date'. If this date falls on the 29th, 30th or 31st, the payment must be made on or before the 1st day of the next month and on or before the anniversary of this date thereafter.

If for any reason **we** do not receive **your** payment by the date the premium is due to be paid, **we** will contact **you** to let **you** know. **You** will be given the opportunity to make **your** payment before **your** policy is deemed to have expired. **You** will not be able to make a claim until **your** premium has been paid.

If **your product** reaches the **maximum renewal period** it will not renew and **your** policy will expire.

9. HOW TO MAKE A CLAIM

HOW TO MAKE A CLAIM: Register **your** claim at www.productprotection.very.co.uk or by telephone on 0800 092 9051 or by writing to Insurance Claims Department, The Venter Building, Rainton Business Park, Houghton Le Spring, County Durham, DH4 5RA as soon as possible, but no longer than 28 days after noticing the damage. If **you** report a claim after 28 days **we** may not consider **your** claim. Claims outside this timeframe will be considered on a case by case basis.

If registering **your** claim online, **you** will need to register to access the claims portal by clicking the link in the enrolment email which was sent to **you** following the purchase of **your** policy or by clicking 'Register' on the website and following the registration instructions.

HOW WE WILL SETTLE CLAIMS:

- Valid claims will be settled by repairing the damaged **product**. If the **product** cannot be repaired, **we** will replace the damaged **product** with one which is the same make and model as **your product**.
- **You** can make an unlimited number of repair claims.
- If **your product** is replaced, **your** policy will come to an end.

TECHNICAL SUPPORT: In the event of a claim, the **Administrator** may first provide **you** with support in troubleshooting the problem. If the technical support is unsuccessful in resolving the issue, the **Administrator** may then arrange for an inspection of **your product** to further understand the problem.

REPAIR: Where the **Administrator** is not able to resolve the issue through technical support, the **Administrator** will arrange for **your product** to be repaired. In order to do so, the **Administrator** may:

- arrange collection of **your product** for repairs to be completed in a workshop environment; or
- arrange an appointment with **you** for a technician to inspect **your product** at **your** property. During this visit the engineer will either:
 - repair **your product** during this appointment, if it is possible to do so; or
 - arrange a further appointment with **you** to repair **your product** if they are not able to do this at the time, for example, they do not have the relevant parts that are needed to complete the repair at that time.

REPLACEMENT: Where the **Administrator** is not able to resolve the issue through technical support or complete a successful repair, the **Administrator** will

Very Protect – Repair Monthly Insurance Terms and Conditions

replace **your** damaged **product** with one which is the same make and model as **your product**. If the **Administrator** cannot do this **you** will be given a choice of make and model with an equivalent specification.

Where damage is to an accessory supplied with the **product**, only the damaged accessory will be replaced. For example, where a charger is broken, a replacement charger will be provided.

ALTERNATIVE SETTLEMENT: If the **Administrator** is not able to repair or replace the damaged **product** satisfactorily, the **Administrator** will contact **you** to arrange an alternative settlement. The value of the alternative settlement will be limited to the amount **you** paid for the **product**.

If the **Administrator** provides **you** with a replacement or an alternative settlement, **we** reserve the right to take sole ownership of the defective **product**. If **we** choose to take ownership, the defective **product** will be collected from **you** following the delivery of the replacement or the provision of the alternative settlement. If **we** choose not to collect the defective **product** as above, the ownership of it and the responsibility for it (including disposing of it) will remain solely with **you**.

NOTE – The length of a claim can vary considerably depending on the nature of the claim but **we** will ensure **we** do **our** utmost to conclude **your** claim as quickly as possible.

Your cover under this policy will also cease if **you** are no longer a resident of the **UK**.

Where **your** policy has been cancelled as a result of any of these events, **you** will be entitled to a refund of premium as follows:

- where **your** policy is cancelled within the first 28 days and **you** have not made a claim under **your** policy, any premium **you** have paid will be returned to **you** in full; or
